

***For Immediate Release***

**March 24, 2020, Cape Girardeau, MO** – With the growing concern surrounding the COVID-19 virus and in keeping with the University's policy regarding events on campus, the Show Me Center, along with KFVS, has made the difficult decision to cancel the 2020 Heartland Home & Garden Show Presented by KFVS. The safety of our employees, vendors and our guests is our utmost priority. Even with the extra precautions we have implemented throughout the Show Me Center we feel the best decision is to cancel the show.

Please be safe, wash your hands and be courteous to those around you. The Show Me Center team looks forward to seeing you next year at the 2021 Heartland Home & Garden Show Presented by KFVS March 19-21!
